Christian Formation and Discipleship

CFD Learning Center

There are samples of Sunday school curriculum, youth group activities, Bible studies, and many other things. These are available to help you order when you go to the local Christian bookstore. But it's a good place to study and research, too, so take advantage of it. The hours are 8 a.m. to 5 p.m., Monday through Friday. CFD is located at 465 Ford Place, next to the University Club, across the street from the Mail Center.

Office of Student Services

When Is An Emergency An Emergency?

One of the services that the staff in the Office of Student Services performs is finding students in class when we are informed of an emergency. We consider an emergency situation to involve a death in the family, threat of suicide, or a serious, sudden and unexpected illness or accident requiring immediate medical attention. We will seek students and interrupt classes under these circumstances only. Students, please inform your family members of this policy.

International Students - Good Neighbor

Serve the world here at Fuller Theological Seminary. The Good Neighbor program offers an opportunity to express and experience Christ's love with international brothers and sisters here at Fuller. It gives you an opportunity to pray with, minister to, and introduce an international student to the American Culture. It also enables you to learn about different cultures, different languages, different peoples, and different countries without having to travel outside the United States. In no way are you making a financial commitment when you become a Good Neighbor. Here's what some members of our Fuller community have experienced in being Good Neighbors:

Nancy McRae: "Showing interest in an international student or couple has meant a lot to me as I develop new friendships."

Anita Becker: "The Good Neighbor program has allowed us to fully experience what it means to be a part of the family of God and we have enjoyed the gift of new friends in Christ."

Al Jepson: "I have learned so much from international students, about their culture, language and their church. I have also enjoyed an opportunity to share our American Culture with them. My family and I have had international friends from Fuller for the past 15 years."

If you would like to know more about the Good Neighbor program, please pick up a brochure from the International Student Services office, and/or contact the Good Neighbor program coordinator, Gerry Day, at (213) 257-2904.

Ask Bridge to Sobriety

A regular Q/A column of this paper.
Please send your questions to us c/o the SEMI. Thanks!

Dear Ask, Isn't it true that only lower-class, unchurched people have problems with drugs and alcohol? - - J. Doe

Dear J.D., Addictions appear to have an "equal opportunity" policy. They affect people of all races, status, incomes, and spiritual beliefs. Many churches have been surprised at the large number of their members who suffer from alcohol or drug problems.

Dear Ask, We offered some financial help to a fellow in our church who says he wants to quit drinking and drugs. Now he wants us to continue paying his rent so he can quit his job and concentrate on not using. What do you suggest? - - A Pastor

Dear Pastor, Generally speaking, giving money to someone who is still using will only enable them to continue their destructive patterns. Our natural tendencies to want to help others may actually be harmful if the person is an addict.

"NICKNACKS"

PUZZLES BY NICK MAK

Sometimes that's not easy. But here at your disposal are 36 of Fuller's finest. The only problem is you still have to find them - - Across, up and down, diagonal, and backwards. Some letters are used more than once.

Note: The remaining letters not used form words which will help you decode the hidden message. Each word is used only once. It's like wheel of fortune.
